

THE COLLIE ART PRIZE

ONE OF REGIONAL AUSTRALIA'S
RICHEST ART PRIZES

Terms and Conditions

These terms and conditions form the agreement between the artist and the Collie Gallery Group Inc. that governs the entry of the Collie Art Prize (CAP).

Throughout this article CAP will refer both to the actual Collie Art Prize competition and the Gallery representatives, as the context dictates.

By submitting a completed entry form the artist agrees to these terms and conditions and assures that all information provided by the artist in the entry form and in the course of the prize is true and correct. Once the Artist has completed and submitted the entry form and such form has been received by CAP, it will be considered to be a Legal Document. It is the responsibility of the artist to ensure the entry adheres to all local, State, Federal and Indigenous laws.

CAP may amend these terms and conditions and the entry form at any time, subject to giving notice to the artist. Notice of the amendment may be written or verbal notice.

The artist's continued involvement with the CAP will be taken as their acceptance of any changes to these terms and conditions.

CAP has absolute discretion in deciding whether or not an artist or an artwork has satisfied the terms and conditions for entry into the CAP.

CAP reserves the right to revoke the award of any prize money (and any associated privileges) to a finalist, and may grant it to another finalist, if the finalist declares false information in the entry form or during the course of the prize, or fails to comply with their obligations under these terms and conditions.

CAP or the Judges may, at their discretion, not award any Prize Money. The decisions of CAP and the Judges are final and no challenges will be permitted.
